

NPIRS® State Pesticide Information Retrieval System

NSPIRS SUBSCRIPTION INFORMATION

The NPIRS **State** Pesticide Information Retrieval System (**NSPIRS**) is a subset of NPIRS. The National Pesticide Information Retrieval System (NPIRS) is a collection of pesticide-related databases maintained by the Center for Environmental and Regulatory Information Systems, CERIS, at Purdue University in West Lafayette, Indiana.

NPIRS receives state pesticide registration data from states that voluntarily send their state data. Associated federal registration data is included for state registered products. Many subscribers use NSPIRS for pesticide registration information and enforcement. These individuals include state regulatory agencies, universities, regional EPA offices, and registrants.

Subscription Databases:

- State Product

NPIRS Public:

- <http://npirspublic.ceris.purdue.edu>
- PPIS - <http://ppis.ceris.purdue.edu>
- State Public - <http://state.ceris.purdue.edu>
- ALSTAR - <http://npirspublic.ceris.purdue.edu/alstar.html>

Dictionaries:

- Chemical - active ingredient accepted label names, chemical synonyms, CAS Registry Numbers, EPA chemical codes, and trade names
- Site - site names, methods and times of application, site code
- Pest - common pest names, life cycles, pest codes
- Company - names and addresses for companies with an EPA company number

State Product Information

state brand names

EPA and state registration numbers

state label images (if provided by participating states)

year of last registration

state registrant names and addresses

all associated product data from NPIRS Federal Product including:

active ingredients by percent	product signal word	states registering
product formulation	federal restricted use status	registration action dates
sites/pests (uses)	use type classifications	product summary reports

Output Options

- Product Summaries
- Display Products
- Download output as a spreadsheet to import into Excel or Access
- File/Save. Using the browser option, save output as a text, html or pdf

NSPIRS BILLING AUTHORIZATION

A NSPIRS Billing Authorization signed by the party responsible for payment must accompany a Subscription Application. Only one Billing Authorization is required per company.

- Purdue University will invoice annually for the NPIRS subscription fee.
- Please do NOT send fees with your subscription application. When billed, make payments to PURDUE UNIVERSITY in the amount specified on the invoice.
- Purchase orders, contracts, agreements, etc. have to be reviewed and approved by Purdue University's Contract and Grant Business Affairs office prior to start of a new subscription.
- Subscriptions are automatically renewed in subsequent years unless Purdue University is notified of the subscriber's intent to cancel.

I have reviewed the current subscription rates and authorize payment of charges incurred. I understand that NSPIRS information is the intellectual property of CERIS and Purdue University. I agree that I will not reformat, reuse, or redistribute any NSPIRS information for commercial use, paid or otherwise, without prior written permission from the National Pesticide Information Retrieval System at CERIS.

By searching the NSPIRS websites, you agree to be bound by the terms and conditions set forth in our [Terms of Use](#) policy.
